PROGRAM DETAILS: All registered units retailed between April 1, 2026 and June 30, 2026 will be eligible to receive a spiff payment based on the unit types above. Spiffs must be claimed within 30 days of the sale date to receive the spiff payment. The spiff will follow the retail and be awarded to the dealer that sells the unit to the end customer and registers the product. Dealer to dealer sales are not eligible for the spiff program. Units that a dealer purchases to add to their own fleet are ineligible for spiff payments.
